New Trends in Pharmaceutical Science: 2nd Edition

Message from the Guest Editor

The first volume of this Special Issue was a great success; therefore, we invite you to publish your research in the second volume of this Special Issue. This Special Issue entitled “New Trends in Pharmaceutical Science–Volume II” will collect high-quality articles in the cutting-edge field of pharmaceutical sciences. We encourage all research groups covering relevant areas to contribute research articles and comprehensive reviews, reflecting the latest progress in their research field.

About the Journal

Message from the Editor-in-Chief

Life (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.
