

## Special Issue

# Recent Advances in Diabetic Cardiomyopathies

### Message from the Guest Editor

This Special Issue on diabetic cardiomyopathy aims to address the most recent and novel advances on the pathophysiology, pathology, risk factors, pharmacotherapy, and management protocols for the prevention and management of diabetic cardiomyopathy. All researchers working in the field of diabetic cardiomyopathy, including molecular and cellular biologists, physiologists, pathologists, pharmacologists, clinicians, and other colleagues, are encouraged to submit their work. Original articles, reviews, and clinical trials are welcome.

## About the Journal

### Message from the Editor-in-Chief

*Life* (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.
