

Special Issue

Feature Papers in Medical Research: 3rd Edition

Message from the Guest Editor

We aim to collect research articles and systematic reviews in all fields of medical research. Since the goal of this Special Issue is to present novel medical research, we encourage the Editorial Board Members of *Life* to contribute papers reflecting the latest progress in their field or to invite relevant experts and colleagues to do so. Topics include, but are not limited to, the following:

- Dermatological research;
- Cancer research;
- Cardiovascular research;
- General medicine;
- Gastroenterological research;
- Hematological research;
- Immunological research;
- Infectious diseases research;
- Metabolism and endocrinology;
- Nervous system research;
- Nursing;
- Pediatrics;
- Pulmonary research;
- Psychiatric research;
- Rehabilitation;
- Renal and urinary research;
- Reproductive research and women's health;
- Rheumatological research;
- Skeletal and muscular research;
- Vision research.

About the Journal

Message from the Editor-in-Chief

Life (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.

Editor-in-Chief

Prof. Dr. Lluís Ribas de Pouplana

Institute for Research in Biomedicine (IRB Barcelona), The Barcelona
Institute of Science and Technology, 08028 Barcelona, Spain

Author Benefits

Open Access:
