

Special Issue

Obstructive Sleep Apnea Syndrome: History, Current Status, Perspectives

Message from the Guest Editors

This issue should include important topics that pertain to the entire field of sleep apnea. Authors are encouraged to publish innovative procedures and new or interesting findings in the field of sleep apnea syndrome or point out previously unpublished contexts. Sleep apnea syndrome should be taken seriously as a dynamic, highly variable disease, with many serious comorbidities and a significant impact on the quality of the affected patients' lives.

About the Journal

Message from the Editor-in-Chief

Life (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.

Editor-in-Chief

Prof. Dr. Lluís Ribas de Pouplana

Institute for Research in Biomedicine (IRB Barcelona), The Barcelona
Institute of Science and Technology, 08028 Barcelona, Spain

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, PMC, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q1 (Biology) / CiteScore - Q1 (Paleontology)
