

## Special Issue

# Obstructive Sleep Apnea Syndrome: History, Current Status, Perspectives

### Message from the Guest Editors

This issue should include important topics that pertain to the entire field of sleep apnea. Authors are encouraged to publish innovative procedures and new or interesting findings in the field of sleep apnea syndrome or point out previously unpublished contexts. Sleep apnea syndrome should be taken seriously as a dynamic, highly variable disease, with many serious comorbidities and a significant impact on the quality of the affected patients' lives.

---

### Guest Editors

Dr. David Slouka

Head of ENT Department, Faculty Hospital in Pilsen, E. Beneše 1128, 301 00 Pilsen, Czech Republic

Dr. Milan Štengl

Charles University, Faculty of Medicine in Pilsen, Biomedical Center, alej Svobody 1655/76, 323 00 Pízeň – Severní Předměstí, Czech Republic

## About the Journal

### Message from the Editor-in-Chief

*Life* (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.
