

# Special Issue

## Early Evolution of life

### Message from the Guest Editor

The hope with this Special Issue on the "Early Evolution of Life" is to be able to collect manuscripts on different aspects of life, referred to as the very late phases of the origin of life, LUCA stage, and formation of domains of life.

---

### Guest Editor

Dr. Massimo Di Giulio

1. Institute of Biosciences and Bioresources, National Research Council, Via P. Castellino, 111, 80131 Naples, Italy
2. The Ionian School, Genetic Code and tRNA Origin Laboratory, Via Roma 19, 67030 Alfedena (L'Aquila), Italy

## About the Journal

### Message from the Editor-in-Chief

*Life* (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. Some papers are published individually, while others are submitted for inclusion in special issues with guest editors. You are invited to contribute a research article, essay, or a review to be considered for publication.
