

*materials*

Dear Colleagues,

On behalf of the *Materials* Award Committee, I am pleased to announce the winner of the *Materials* Travel Award 2020. This year's Travel Award has been granted to an excellent PhD student, **MS. Ana Carolina Constância Trindade**. Please join us in congratulating her.

**MS. Ana Carolina Constância Trindade** is from the Pontifical Catholic University of Rio de Janeiro (PUC-Rio/Brazil). She will attend the BEFIB 2020, which will be held on 21–23 September 2020, in Valencia, Spain.

## 2020 MATERIALS TRAVEL AWARD WINNER

I would like to take this opportunity to express my gratitude to all applicants for their interest in this competition, as well as to our Selection Committees for their incredible involvement in this difficult task.

*Materials* is very proud to support young scientists and will keep supporting them by continuing a variety of award projects.

Editor-in-Chief of *Materials*

Prof. Dr. Maryam Tabrizian

Department of Biomedical Engineering and Faculty of Dentistry McGill University

*Materials* (ISSN 1996-1944; CODEN: MATEG9) is a peer-reviewed open access journal of materials science and engineering published semi-monthly online by MDPI. The journal is indexed by SCIE (Web of Science), EI and Scopus. Its 2018 Impact Factor is 2.972, and its five-year Impact Factor is 3.532. For further details, please refer to <https://www.mdpi.com/journal/materials/stats>.
