mathematics

Dear Authors,

We are pleased to inform you that *Mathematics* (ISSN 2227-7390) has been accepted for inclusion in Clarivate Analytics' Science Citation Indexed Expanded (SCIE) (Web of Science). Articles published from Volume 4 (2016) will be included in SCIE, as well as 'Current Contents - Physical, Chemical & Earth Sciences'. The first Impact Factor (IF) is expected to be published in the '2019 Journal Citation Reports (JCR)' by Clarivate Analytics in June 2019.

To celebrate the progress of our journal, and to acknowledge authors' continued support, we are pleased to announce the commencement of a Best Paper Award for research and review articles published between **1 January** and **31 December 2017**. After a thorough evaluation by the journal award committee, three review papers and six research papers will receive an award.

2017 BEST PAPER
AWARDS
FOR RESEARCH AND REVIEW ARTICLES PUBLISHED

Selection criteria:
The articles will be selected by the journal award committee according to the following criteria:
– Originality and significance;
– Citation and download times in 2018;
– Data Source: Web of Science (Clarivate Analytics).

Prizes:
Winners (corresponding author) will receive a certificate and an offer to publish a paper free of charge in *Mathematics*, after the normal peer-review procedure. Each winner will additionally receive a bonus based on the award class:
– First Award (one for a review paper and one for a research paper): **300 CHF** each
– Second Award (one for a review paper and two for research papers): **200 CHF** each
– Third Award (one for a review paper and three for research papers): **100 CHF** each

The winners will be announced early in March 2019. For further details, please click here: http://www.mdpi.com/journal/mathematics/awards/

Kind regards.
