

# Special Issue

## Simulation-Based Optimisation in Business Analytics

### Message from the Guest Editors

We cordially invite you to submit your articles to the Special Issue of *Mathematics* entitled “Simulation-Based Optimisation in Business Analytics”. The purpose of this Special Issue is to investigate the role and application of simulation in business analytics. This Special Issue aims to disseminate research that applies simulation and business analytics to describe, diagnose, predict, and prescribe in business environments. Research in this area can focus on questions, topics, and theories. **Keywords**

- simulation optimization
- operation research
- business analytics
- data science
- project management
- information systems strategy
- supply chain management
- operations management

---

### Guest Editors

Dr. Seyed Mojtaba Sajadi

Operations and Information Department, Aston Business School, Aston University, Birmingham B4 7ET, UK

Dr. Mohammad Daneshvar Kakhki

Business Information Systems, Western Michigan University, 1903 West Michigan Avenue, Kalamazoo, MI 49008-5412, USA

---

### Deadline for manuscript submissions

## About the Journal

### Message from the Editor-in-Chief

The journal *Mathematics* publishes high-quality, refereed papers that treat both pure and applied mathematics. The journal highlights articles devoted to the mathematical treatment of questions arising in physics, chemistry, biology, statistics, finance, computer science, engineering and sociology, particularly those that stress analytical/algebraic aspects and novel problems and their solutions. One of the missions of the journal is to serve mathematicians and scientists through the prompt publication of significant advances in any branch of science and technology, and to provide a forum for the discussion of new scientific developments.

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), RePEc, and other databases.

#### Journal Rank:

JCR - Q1 (Mathematics) / CiteScore - Q1 (General Mathematics)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 18.4 days after submission; acceptance to publication is undertaken in 2.4 days (median values for papers published in this journal in the first half of 2025).
