Message from the Guest Editors

Dear Colleagues,

This Special Issue will mainly consist of selected papers presented at the **6th International Conference on Numerical and Symbolic Computation: Developments and Applications** (www.symcomp2023.uevora.pt). Papers considered to fit the scope of the journal and to be of sufficient quality after evaluation by the reviewers will be published **free of charge**.

Message from the Editorial Board

Mathematical and Computational Applications (MCA) is devoted to the dissemination of original research in the field of engineering, natural sciences and social sciences where mathematical and/or computational techniques are necessary for solving specific problems. The aim of the journal is to provide a medium by which a wide range of experience can be exchanged among researchers from diverse fields such as engineering (electrical, mechanical, civil, industrial, aeronautical, nuclear, etc.), natural sciences (physics, mathematics, chemistry, biology, etc.) and social sciences (administrative sciences, economics, political sciences, etc.).
