### Message from the Guest Editor

The journal *Medicina* launched a Special Issue titled "Advances in Prevention and Management Concepts of Medication-Related Osteonecrosis of the Jaw".

We kindly invite you to submit your innovative research to this Special Issue. It shall function as a platform for experimental, translational and clinical science exchange regarding all aspects of medication-related osteonecrosis of the jaw (MRONJ) research and further advance our knowledge in this field so that we can improve the management of MRONJ patients.

More information about Special Issue and options to submit your paper can be found at the following link:
