

# Special Issue

## Current View of Foot and Ankle

### Message from the Guest Editor

In orthopedic surgery, the department of the foot and ankle is a special field and has been rapidly changing and developing in recent years. This Special Issue intends to share the latest knowledge on arthroscopy, sports injury, arthroplasty, deformity, minimally invasive treatment, non-surgical treatment and treatment of various diseases, which are showing particular interest and change in the department of the foot and ankle.
