

Special Issue

Sports Cardiology: From Athletes to Advanced Technologies for Cardiovascular Prevention and Exercise Prescription

Message from the Guest Editors

This Special Issue of *Medicina* aims to stimulate a debate on the latest advancements in sports cardiology. This field is experiencing continuous growth due to advancements in technical and scientific knowledge regarding the interplay between physical exercise and cardiovascular health issues.

We are pleased to invite colleagues and researchers to collaborate by submitting original articles, reviews, and commentaries on emerging topics in sports cardiology. Contributions from multidisciplinary perspectives are highly encouraged to enrich the scientific and clinical understanding of this rapidly advancing field.

About the Journal

Message from the Editor-in-Chief

You are invited to contribute a research article or a comprehensive review for consideration and publication in *Medicina* (ISSN: 1648-9144). *Medicina* is an open access, peer-reviewed scientific journal that publishes original articles, critical reviews, research notes, and short communications on medicine. The scientific community and the general public can access the content free of charge as soon as it is published.

Editor-in-Chief

Prof. Dr. Edgaras Stankevičius
Medical Academy, Lithuanian University of Health Sciences, Kaunas,
Lithuania

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, and other databases.

Journal Rank:

JCR - Q1 (Medicine, General and Internal) / CiteScore - Q1 (General Medicine)
