

## Special Issue

# Advances in Epidemiological and Statistical Methods for Medical Research

### Message from the Guest Editor

We are pleased to announce this Special Issue entitled "Advances in Epidemiological and Statistical Methods for Medical Research". In addition to original methodologic research, we are particularly interested in topic overviews, tutorials, and seminal work of current interest in the field. We hope this Special Issue will be of interest to you. Collaboration with students and research fellows in your group also is encouraged. Following submission, manuscripts will receive prompt attention and undergo fair but thorough review by experts in the field. Your questions are welcome, as are pre-submission queries regarding the suitability of and interest in your manuscript.
