Highlights from the 7th Masterclass in Respiratory Infectious Diseases

Message from the Guest Editors

We are pleased to inform you that *Medical Sciences* is planning a Special Issue on “Highlights from the 7th Masterclass in Respiratory Infectious Diseases” (June 2017, Barcelona, Spain). The aim of this Special Issue is to put together a collection of works reporting the outcomes of the Masterclass, including the discussions of clinical presentations, diagnostic methods, treatments, and new research developments in pulmonary infectious diseases. Participants are invited to submit a short review about the outcomes generated from the discussions. All submissions for this Special Issue will have the Article Processing Charges (APC) waived. We look forward to receiving your work. Dr. Menno van der Eerden
