

Special Issue

Selected Papers from Euromembrane 2021

Message from the Guest Editors

We are very happy to announce that Lund University (Sweden) and Aalborg University (Denmark) will jointly host [Euromembrane 2021](#) in Copenhagen (Denmark). This is the first time that this important membrane event will be hosted in Scandinavia. This Special Issue "Selected Papers from Euromembrane 2021" will contain papers presented during the Euromembrane conference. On behalf of the organizing committee, we cordially invite you to join us. Participants of the conference are cordially invited to contribute original research papers or reviews to this Special Issue of *Membranes*. **Discount Information** *500 CHF discounts (APC: 1300 CHF per accepted paper) for submissions before 31 December 2021; * 25% discounts (APC: 1650 CHF per accepted paper) for submissions after 31 December 2021.

Guest Editors

Prof. Dr. Frank Lipnizki

Department of Chemical Engineering, Lund University, Box 124, 221 00 Lund, Sweden

Prof. Dr. Morten Lykkegaard Christensen

Department of Chemistry and Bioscience, Aalborg Universitet, 9220 Aalborg, Denmark

Deadline for manuscript submissions

closed (30 April 2022)

About the Journal

Message from the Editor-in-Chief

You are cordially invited to contribute a research article or a comprehensive review for consideration and publication in *Membranes* (ISSN 2077-0375). *Membranes* is an international, peer-reviewed open access journal of membrane technology published monthly online by MDPI. The journal covers the broad aspects of the science and technology of both biological and non-biological membranes, including membrane dynamics and the preparation and characterization of membranes and their applications in water, environment, energy, and food industries. Articles contributing to better understanding of transport processes in all types of membranes are also welcome. The scientific community and the general public have unlimited and free access to the content as soon as it is published. We would be pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Spas D. Kolev
School of Chemistry, The University of Melbourne, Melbourne, VIC
3010, Australia

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE (Web of Science), Ei Compendex, PubMed, PMC, CAPlus / SciFinder, Inspec, and other databases.

Journal Rank:

JCR - Q2 (Polymer Science) / CiteScore - Q1 (Chemical Engineering (miscellaneous))
