

metabolites

Dear Colleagues,

As Editor-in-Chief of *Metabolites*, I am pleased to announce the winner of the 2018 *Metabolites* Travel Award on behalf of the Evaluation Committee:

XIAOTAO SHEN, PhD student at the Chinese Academy of Sciences, whose research focuses on the development of various bioinformatic approaches/tools for untargeted metabolomics. He is planning to present his work “Metabolic Reaction Network-based Recursive Metabolite Identification for Untargeted Metabolomics” at the Metabolomics 2018 Conference (24–28 June 2018, Seattle, USA). The award consists of 800 Swiss Francs towards attending this conference.

It was a difficult decision with such high quality applications for the award and we thank all applicants. We wish to congratulate Mr. Xiaotao Shen for his accomplishments.

Prof. Peter J Meikle
Editor-in-Chief

2018 TRAVEL AWARD WINNER

Metabolites (ISSN 2218-1989) is an open access journal of metabolism and metabolomics, published quarterly online by MDPI with an average publishing time of 50 days from submission to publication online, in 2017. Currently, *Metabolites* is indexed important database, such as, PubMed, PubMed Central, Scopus and ESCI (Web of Science).
