

Special Issue

Metal Foams 2013

Message from the Guest Editor

We are pleased to invite original manuscripts related to metal foams on the area of:

- Processing methods
- Properties and evaluation
- Modeling of structure and related properties.
- Secondary operations (joining, coating, machining, shaping, etc.)
- Physics of foaming, pore nucleation, pore growth and coalescence, and foam stabilization.
- Challenging applications and case studies including component design criteria.
- Porous biomaterials and nanoporous structures.
- Fluid, heat, and mass transfer in porous metals and metal foams.
- Miscellaneous topics related to metal foams.

Guest Editor

Prof. Dr. Afsaneh Rabiei

Advanced Materials Research Lab, Department of Mechanical and Aerospace Engineering, North Carolina State University, Raleigh, NC 27695 USA

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

Metallic materials play a vital role in the economic life of modern societies; contributions are sought on fresh developments that enhance our understanding of the fundamental aspects related to the relationships between processing, properties and microstructure – disciplines in the metallurgical field ranging from processing, mechanical behavior, phase transitions and microstructural evolution, nanostructures, as well as unique metallic properties – inspire general and scholarly interest among the scientific community.

Editor-in-Chief

Prof. Dr. Yong Zhang

Beijing Advanced Innovation Center of Materials Genome Engineering,
State Key Laboratory for Advanced Metals and Materials, University of
Science and Technology Beijing, 30 Xueyuan Road, Beijing 100083,
China

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), Inspec, Ei Compendex, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Metallurgy and Metallurgical Engineering) /
CiteScore - Q1 (Metals and Alloys)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 18.7 days after submission; acceptance to publication is undertaken in 2.7 days (median values for papers published in this journal in the second half of 2025).
