

microorganisms

Dear Colleagues,

We are pleased to announce that *Microorganisms* will be offering a travel award for Postdocs and PhD students. The applications will be assessed by an evaluation committee chaired by the Editor-in-Chief, Prof. Dr. Martin von Bergen.

2019 TRAVEL AWARD

FOR FOR POSTDOCS AND PHD STUDENTS

Candidates' Requirements:

- The applicants must be PhD graduate students or postdoctoral fellows involved in microbiology research;
- The applicants will attend an international conference related to microbiology research in 2019 and present their research (poster or oral presentation) during the event;
- Required Application Documents:
 - An abstract describing recent unpublished work (around 500 words);
 - Curriculum Vitae, including a complete list of publications;
 - Justification letter indicating the conference that the applicant wishes to attend, costs, and institutional support that will be provided;
 - Recommendation letter from his/her mentor;
 - A copy of the page of the conference program showing the awardee's abstract or presentation and the meeting badge that verifies his/her attendance, to be provided after the meeting.

The prize consists of:

- 800 Swiss Francs;
- A voucher for a free publication in *Microorganisms* in 2019.

Please, apply online at <http://www.mdpi.com/journal/microorganisms/awards> by **31 January 2019**. The prize will be awarded by the end of **March 2019** and announced on the *Microorganisms* website.

Microorganisms (ISSN 2076-2607) is a SCIE-indexed, peer-reviewed, open access microbiology journal, which provides an advanced forum for studies related to prokaryotic and eukaryotic microorganisms, viruses, and prions. It publishes reviews, research papers, and communications. There is no restriction on the length of the papers.

microorganisms

All microbiology related conferences are relevant, in particular:

- ASM Microbe 2019
- The Microbiology Society Annual Conference
- European Congress of Clinical Microbiology and Infectious Diseases Annual Meeting - ECCMID 2019
- 8th Congress of European Microbiologists - FEMS 2019
- Extremophiles 2019
- BMSV19
- Swiss Society for Microbiology Annual Congress 2019
- XVIII International Society for Molecular Plant-Microbe Interactions (ISMPMI)
- Molecular Biology of Fungi
- Australian Society for Microbiology annual conference
- Polar & Alpine Microbiology 2019 Conference
- Society for Industrial Microbiology and Biotechnology (SIMB) Annual Meeting
- Microbiome: Chemical Mechanisms and Biological Consequences (C3)
- IPC 2019
- Metabolomics and Human Health 2019
