The 5th Anniversary of Modelling

Message from the Guest Editors

We will celebrate the 5th Anniversary of *Modelling* (ISSN 2673-3951) in the year 2025. Hence, we are organizing a Special Issue to commemorate this important milestone. During the past 5 years, *Modelling* has significantly contributed to scientific advancements in the multidisciplinary field of modelling and simulation. As such, *Modelling* will continue to serve as a forum wherein novel discoveries are widely shared with the scientific community and the general public at large. To help celebrate this important event, we warmly invite you to submit original research papers and comprehensive review articles related to the development and applications of modelling and simulation techniques for peer-review and possible publication in this Special Issue.

About the Journal

Message from the Editorial Board

We encourage you to contribute a research or comprehensive review article for consideration and publication in *Modelling* (ISSN 2673-3951), an international open access journal, which is published quarterly online by MDPI. The editorial board and staff of *Modelling* are dedicated to providing an advanced forum for studies related to the development and applications of modelling and simulation techniques. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications.
