8 September 2017, University of Barcelona, Spain

Emerging Drug Discovery Approaches
against Infectious Diseases

Best Oral Presentation Award

Dear Colleagues,

On behalf of the editorial team of *Molecules*, I am pleased to announce that the Best Oral Presentation Award (500€) from the 1st Molecules Medicinal Chemistry Symposium (<https://sciforum.net/conference/MMCS2017>) has been awarded to **Alicia Boto**, of the Spanish National Research Council (CSIC). The nominations were assessed by the Organizing Committee of the symposium.
