Deadline for manuscript  
submissions:

**closed (30 November 2012)**

### Message from the Guest Editor

Dear Colleagues,

Spirocompounds can be defined as cyclic molecules containing at least two rings joined together by a single atom. This unique structural feature has been observed in natural products and has also been the target of methodological studies and syntheses. This special issue of *Molecules* is aimed at all aspects of spirocompounds. Submissions dealing with new methods of spiroannulation, the use of spirocompounds as intermediates in synthesis, and the isolation/characterization of new natural products are particularly welcomed. Any submission dealing with other aspects of spirocompounds will also be considered.

Dr. Guy L. Plourde

# Special Issue

an Open Access Journal by MDPI

## Editor-in-Chief

### Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical  
Biology and Phytochemistry,  
University of Münster,  
Corrensstrasse 48, D-48149  
Münster, Germany

## Message from the Editor-in-Chief

As the premier open access journal dedicated to experimental organic chemistry, and now in its 25th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts and novel materials. Pushing the boundaries of the discipline, we invite papers on multidisciplinary topics bridging biochemistry, biophysics and materials science, as well as timely reviews and topical issues on cutting edge fields in all these areas.

## Author Benefits

**Open Access:** free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High Visibility:** indexed within [Scopus](#), [SCIE \(Web of Science\)](#), [PubMed](#), [MEDLINE](#), [PMC](#), [Reaxys](#), [CaPlus / SciFinder](#), [MarinLit](#), [AGRIS](#), and [other databases](#).

**Journal Rank:** JCR - Q2 (Chemistry, Multidisciplinary) / CiteScore - Q1 (Chemistry (miscellaneous))
