

Special Issue

Materials Chemistry in Europe

Message from the Guest Editors

This Special Issue aims to present the most recent research outcomes in the field of Materials Chemistry gathered from European groups active in this research area. Potential topics include but are not limited to:

- Advances in biomaterials;
- Advances in nanomaterials;
- Advances in hybrid materials;
- Advances in core-shell materials;
- Advances in thin films and self-assembling systems.

Types of contributions to this Special Issue can be full research articles, short communications, and reviews.

Guest Editors

Prof. Dr. Luísa Margarida Martins

Centro de Química Estrutural, Institute of Molecular Sciences,
Departamento de Engenharia Química, Instituto Superior Técnico,
Universidade de Lisboa, Av. Rovisco Pais, 1049-001 Lisboa, Portugal

Prof. Dr. Giulio Malucelli

Department of Applied Science and Technology, Politecnico di Torino,
I-10129 Torino, Italy

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to experimental organic chemistry, and now in its 25th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts and novel materials. Pushing the boundaries of the discipline, we invite papers on multidisciplinary topics bridging biochemistry, biophysics and materials science, as well as timely reviews and topical issues on cutting edge fields in all these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarInLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
