

Special Issue

Exclusive Feature Papers in Natural Products Chemistry, 3rd Edition

Message from the Guest Editors

It is our pleasure to announce the third edition of this Special Issue, entitled “Exclusive Feature Papers in Natural Products Chemistry, 3rd Edition”. This is a collection of important high-quality papers (original research articles or comprehensive review papers) published in open access format by two Editorial Board Members acting as . This Special Issue aims to discuss new knowledge or cutting-edge developments in Natural Products Chemistry research, addressing comprehensive aspects related to bioactive compounds occurring in food and natural real-world samples in the hope of making a great contribution to the community. We intend for this Special Issue to be a high-quality forum for disseminating excellent research findings as well as sharing innovative ideas in the field.

Guest Editors

Prof. Dr. David Barker

School of Chemical Sciences, The University of Auckland, Auckland 1010, New Zealand

Prof. Dr. Francesco Cacciola

Dipartimento di Scienze Chimiche, Biologiche, Farmaceutiche ed Ambientali, University of Messina, Viale F. Stagno d'Alcontres, 98166 Messina, Italy

Deadline for manuscript submissions

31 December 2025

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to molecular chemistry, now in its 29th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts, and novel materials. Pushing the boundaries of the discipline, we invite papers on all major fields of molecular chemistry and multidisciplinary topics bridging chemistry with biology, physics, and materials science, as well as timely reviews and topical issues on cutting-edge fields in all of these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarinLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
