

Special Issue

Exclusive Contributions by the Editorial Board Members (EBMs) of the Inorganic Chemistry Section of *Molecules* 2024

Message from the Guest Editors

This Special Issue of *Molecules* is dedicated to recent advances in inorganic chemistry and mainly comprises a selection of exclusive papers by the Editorial Board Members (EBMs) of the Inorganic Chemistry Section. While contributions from other authors will also be considered, this Special Issue focuses primarily on highlighting recent interesting investigations conducted in the laboratories of our Section's EBMs, providing an attractive open access publishing platform for inorganic chemistry research data.

Prof. Carla Bazzicalupi

Guest Editors

Prof. Dr. Giuseppe Cavallaro

Prof. Dr. Athanassios C. Tsipis

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to molecular chemistry, now in its 29th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts, and novel materials. Pushing the boundaries of the discipline, we invite papers on all major fields of molecular chemistry and multidisciplinary topics bridging chemistry with biology, physics, and materials science, as well as timely reviews and topical issues on cutting-edge fields in all of these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarInLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
