# **Special Issue**

# 27th International Conference on Arginines and Pyrimidines & 2nd International Conference on Amino Acids Nucleotides

# Message from the Guest Editors

ICAP/ICAN 2022 will take place at Chestnut Residence of the University of Toronto in the heart of downtown Toronto, Ontario, Canada on June 28–30th, 2022. This is a biennial conference first organized 55 years ago; and the joint ICAP/ICAN conference has grown to encompass and advance knowledge in amino acids, and nucleic acids as they relate to biological processes, health and disease. The goal of the joint conference is to facilitate interaction and collaboration among attendees from Europe, Asia and the Americas. Participants of the conference, as well as all researchers working in the field are cordially invited to contribute original research papers or reviews to this Special Issue in commemoration of this conference.

#### **Guest Editors**

Prof. Dr. Lakshmi Kotra

Dr. Ljubica Caldovic

Prof. Dr. Emil F. Pai

# About the Journal

## Message from the Editor-in-Chief

As the premier open access journal dedicated to experimental organic chemistry, and now in its 25th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts and novel materials. Pushing the boundaries of the discipline, we invite papers on multidisciplinary topics bridging biochemistry, biophysics and materials science, as well as timely reviews and topical issues on cutting edge fields in all these areas.

#### Editor-in-Chief

#### Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

#### **Author Benefits**

### **High Visibility:**

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarinLit, AGRIS, and other databases.

#### Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

## **Rapid Publication:**

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
