

Special Issue

Selected Papers from the 6th International Mediterranean Symposium on Medicinal and Aromatic Plants (MESMAP-6)

Message from the Guest Editors

This Special Issue of *Molecules* on “Selected Papers from the 6th International Mediterranean Symposium on Medicinal and Aromatic Plants (MESMAP-6)” welcomes submissions of previously unpublished manuscripts from original work on all the above aspects, including isolation, structure elucidation, and biological activity of plant secondary metabolites; pharmacological study of medicinal plants and traditional medicine formulae; efficacy of natural products; safety and regulations on natural products; and natural products used in cosmeceuticals, nutraceuticals, and veterinary medicine. Please note that reports of known compounds from new plant sources will not generally be accepted unless they have relevant biological and pharmacological activities. Plant extracts used for in vitro and/or in vivo pharmacological studies must be characterized by analysis of their major constituents (e.g., HPLC fingerprints, HPLC-MS, GC-MS, or NMR analyses).

Guest Editors

Prof. Dr. Nazim Sekeroglu
Prof. Dr. Anake Kijjoa
Prof. Dr. Sevgi Gezici

Deadline for manuscript submissions

closed (30 May 2021)

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to molecular chemistry, now in its 29th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts, and novel materials. Pushing the boundaries of the discipline, we invite papers on all major fields of molecular chemistry and multidisciplinary topics bridging chemistry with biology, physics, and materials science, as well as timely reviews and topical issues on cutting-edge fields in all of these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarInLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
