

Special Issue

A Themed Issue in Honor of Professor K.Hüsnü Can Başer—Outstanding Contributions in the Fields of Pharmacognosy, Phytochemistry, Botany and Ethnopharmacology

Message from the Guest Editors

Dear Colleague, This Special Issue will honor Prof. Dr. K. Hüsnü Can Başer for his outstanding contributions in the fields of pharmacognosy, phytochemistry, botany, and ethnopharmacology. In this Special Issue, we aim to collect original research articles and review articles in the following topics but not limited:

- Isolation and structure elucidation of bioactive compounds;
- Development of new methods for structure elucidation;
- Biotransformation of biosynthetically interesting compounds;
- Bioactivity studies on natural products;
- Natural volatiles and essential oils.

You are welcome to visit the [Website](#) and submit your tentative [Abstract](#). We look forward to receiving your contribution to the Theme Issue.

Guest Editors

Prof. Dr. İhsan Çalış

Dr. Horváth Györgyi

Dr. Agnieszka Ludwiczuk

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to experimental organic chemistry, and now in its 25th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts and novel materials. Pushing the boundaries of the discipline, we invite papers on multidisciplinary topics bridging biochemistry, biophysics and materials science, as well as timely reviews and topical issues on cutting edge fields in all these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarinLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
