

# Special Issue

## NUCLEO-OMICS24

### Message from the Guest Editors

We are pleased to invite you to submit to the Special Issue of *Molecules* dedicated to the **NUCLEO-OMICS24** international workshop, which will take place in Naples, Italy, on **October 30-31, 2024**, at the Aula Magna of Scienze Biotechnologiche Building. <https://sites.google.com/view/nucleoomics2024/home?authuser=0> Notably, *Molecules* is also represented at the event:

<https://www.mdpi.com/journal/molecules/events/17846>

The event will focus on the latest advancements in research on organic molecules, biomacromolecules, and their applications in **chemistry**, **biotechnology**, and **systems biology**. This Special Issue is open to the workshop participants and all researchers working in the above fields. We welcome original research articles, reviews, and communications related to the themes discussed during the workshop. We look forward to receiving your contributions and hope to foster new collaborations within the scientific community.

---

### Guest Editors

Dr. Giovanni N. Roviello

Institute of Biostructures and Bioimaging, Italian National Council for Research (IBB-CNR), Via P. Castellino 111, 80131 Naples, Italy

Prof. Dr. Valentina Mittova

Scientific-Research Institute of Experimental and Clinical Medicine, Teaching University Geomedi, LLC, 4 King Solomon II Street, Tbilisi 0114, Georgia

---

### Deadline for manuscript submissions

closed (31 December 2025)

## About the Journal

### Message from the Editor-in-Chief

As the premier open access journal dedicated to molecular chemistry, now in its 30th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts, and novel materials. Pushing the boundaries of the discipline, we invite papers on all major fields of molecular chemistry and multidisciplinary topics bridging chemistry with biology, physics, and materials science, as well as timely reviews and topical issues on cutting-edge fields in all of these areas.

---

### Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

### Author Benefits

#### High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarInLit, AGRIS, and other databases.

#### Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

#### Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 15.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the second half of 2025).
