

Special Issue

Applications of Materials in Drug Delivery

Message from the Guest Editors

You are invited to contribute original articles as well as survey articles related (but not limited) to the following topics:

- Design of biomaterial-based drug delivery systems;
- Relationships between material, structure, and biopharmaceutical properties;
- Micro- and nano particles for drug encapsulation and controlled release;
- Eletrospinning as a tool for controlled drug release;
- Outline of the mechanisms involved in targeted drug delivery.

Guest Editors

Dr. Silvia Panzavolta

Department of Chemistry "G. Ciamician", Alma Mater Studiorum
Universita di Bologna, Bologna, Italy

Dr. Luisa Stella Dolci

Department of Pharmacy and BioTechnology, University of BolognaVia
S. Donato 19/2, 40127 Bologna, Italy

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to molecular chemistry, now in its 30th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts, and novel materials. Pushing the boundaries of the discipline, we invite papers on all major fields of molecular chemistry and multidisciplinary topics bridging chemistry with biology, physics, and materials science, as well as timely reviews and topical issues on cutting-edge fields in all of these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarinLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 15.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the second half of 2025).
