

Special Issue

Physicochemical Properties of Food

Message from the Guest Editors

The editorial board of *Molecules* invites you to submit an article to a Special Issue entitled 'Physicochemical Properties of Food'. The manuscripts submitted may be original research papers describing complete investigations or review articles highlighting recent achievements regarding the modification of the physicochemical properties of food products.

Guest Editors

Prof. Dr. Adam Figiel

Department of Thermal Technology and Process Engineering, Institute of Agricultural Engineering, Wrocław University of Environmental and Life Sciences, Chelmonskiego 37a, 51-630 Wrocław, Poland

Dr. Anna Michalska-Ciechanowska

The Faculty of Biotechnology and Food Science, Wrocław University of Environmental and Life Sciences, Chelmonskiego 37/41, 51-630 Wrocław, Poland

Deadline for manuscript submissions

closed (31 December 2020)

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to molecular chemistry, now in its 30th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts, and novel materials. Pushing the boundaries of the discipline, we invite papers on all major fields of molecular chemistry and multidisciplinary topics bridging chemistry with biology, physics, and materials science, as well as timely reviews and topical issues on cutting-edge fields in all of these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarinLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore - Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 15.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the second half of 2025).
