

Special Issue

Supramolecular Organic Photochemistry

Message from the Guest Editor

I would like to invite you to submit a paper to an upcoming Special Issue on “Supramolecular Organic Photochemistry” to be published early next year in *Molecules*. The issue should highlight this vibrant field. Manuscripts that address photochemical processes in all types of confined environments from rigid crystals to flexible micelles, liquid crystals or solvent cages in solutions are of interest. Your contribution would be very welcome for possible publication in this issue. Please submit your article online at <http://www.mdpi.com/user/manuscripts/upload/?journal=molecules>. If you have any questions, feel free to contact me. I look forward to your submission. Best wishes,

Guest Editor

Prof. Dr. Linda S. Shimizu

Department of Chemistry and Biochemistry, University of South Carolina, Columbia, SC 29208, USA

Deadline for manuscript submissions

About the Journal

Message from the Editor-in-Chief

As the premier open access journal dedicated to molecular chemistry, now in its 29th year of publication, the papers published in *Molecules* span from classical synthetic methodology to natural product isolation and characterization, as well as physicochemical studies and the applications of these molecules as pharmaceuticals, catalysts, and novel materials. Pushing the boundaries of the discipline, we invite papers on all major fields of molecular chemistry and multidisciplinary topics bridging chemistry with biology, physics, and materials science, as well as timely reviews and topical issues on cutting-edge fields in all of these areas.

Editor-in-Chief

Prof. Dr. Thomas J. Schmidt

Institute of Pharmaceutical Biology and Phytochemistry, University of
Münster, Corrensstrasse 48, D-48149 Münster, Germany

Author Benefits

High Visibility:

indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Reaxys, CaPlus / SciFinder, MarInLit, AGRIS, and other databases.

Journal Rank:

JCR - Q2 (Biochemistry and Molecular Biology) / CiteScore
- Q1 (Organic Chemistry)

Rapid Publication:

manuscripts are peer-reviewed and a first decision is provided to authors approximately 16.1 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the first half of 2025).
