Dear Colleagues,

We are pleased to announce the winners of the *MPs* 2019 Best Paper Award. All papers published in 2019 in *MPs* were considered for the award. After a thorough evaluation of the originality and significance of the papers, citations, and downloads, the following winning paper, which was nominated by the Editor-in-Chief, has been selected.

The DIVER Microscope for Imaging in Scattering Media

By Alexander Dvornikov, Leonel Malacrida and Enrico Gratton

Methods Protoc. 2019, 2(2), 53.

2019 BEST PAPER AWARD **WINNER**

The authors will receive an award of CHF 500 and an opportunity to publish one paper free of charge before 31 December 2021, after the normal peer-review procedure. We believe the above paper represents a valuable contribution to *MPs* and the scientific literature. We warmly congratulate the winners.

Kind regards,
MPs Editorial Office
