Special Issue

Neurological Aspects of COVID-19: What We Knew Then, What We Know Now, & What We Need to Prepare for in the Future

Message from the Guest Editors

We dedicate this Special Issue of "Neurological Aspects of COVID-19: What We Knew Then, What We Know Now, & What We Need to Prepare for in the Future" as a "Call for Action", and invite the medical and scientific community to join us in raising awareness promoting early and accurate diagnosis. This will result in more favourable treatments and outcomes for the growing number of patients worlwide who are affected by COVID-19.
