

Nursing Care and Clinical Management in the Post-Pandemic Era

Guest Editors:

Dr. Emanuele Rezoagli

Dr. Alberto Lucchini

Dr. Stefano Elli

Message from the Guest Editors

The Special Issue focuses on the current state of knowledge on nursing care and clinical management in critically ill patients, before, during, and after ICU admission. Papers dealing with new approaches to the delivery of nursing care and management are also welcome.

Deadline for manuscript
submissions:

Message from the Editor-in-Chief

Nursing Reports (ISSN 2039-4403) is an international, open access journal, addressing practice and policy issues across all fields of nursing science. We invite you to contribute original researches, review articles, essays or short reports for consideration and publication in the journal. Rapid turnaround time and full open access offer the opportunity to make research results immediately available to scientific communities and the general public.

Author Benefits

Open Access: free for readers, with **article processing charges (APC)** paid by authors or their institutions.

High Visibility: indexed within **Scopus, ESCI (Web of Science), PMC, PubMed,** and **other databases.**

Rapid Publication: manuscripts are peer-reviewed and a first decision is provided to authors approximately 22.6 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the second half of 2025).
