

## Special Issue

# Nursing Care and Clinical Management in the Post-Pandemic Era

### Message from the Guest Editors

The Special Issue focuses on the current state of knowledge on nursing care and clinical management in critically ill patients, before, during, and after ICU admission. Papers dealing with new approaches to the delivery of nursing care and management are also welcome.

## About the Journal

### Message from the Editor-in-Chief

*Nursing Reports* (ISSN 2039-4403) is an international, open access journal, addressing practice and policy issues across all fields of nursing science. We invite you to contribute original researches, review articles, essays or short reports for consideration and publication in the journal. Rapid turnaround time and full open access offer the opportunity to make research results immediately available to scientific communities and the general public.
