Dear Colleagues,

As Editor-in-Chief of *Nutrients*, I am pleased to announce the winner of the *Nutrients* Travel Award in Micronutrients and Human Health for 2021.

The award has been granted to Dr. Dieuwertje Kok, a postdoctoral researcher from Division of Human Nutrition and Health, Wageningen University, The Netherlands. Her research focuses on B-vitamins, and especially folate and folic acid, in relation to cancer.

2021 TRAVEL AWARD WINNER

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winner on her accomplishments.
