Dear Colleagues,

As Editor-in-Chief of *Nutrients*, I am pleased to announce the winner of the *Nutrients* Travel Award in Nutrition and Public Health for 2021.

# 2021 TRAVEL AWARD WINNER

The award has been granted to Dr. Zohra S. Lassi, who is a post-doctoral fellow from Robinson Research Institute at the University of Adelaide, Australia. Her research interests include reproductive, maternal, newborn, child, and adolescent health and nutrition.

With so many high-quality applicants, the evaluation process and final decision were challenging. We would like to thank all the applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winner on her accomplishments.
