Message from the Guest Editors

Dear Colleagues,

The focus of this Special Issue is “Nutrition Solutions for a Changing World”, which was the theme for the 10th Asia Pacific Conference on Clinical Nutrition which held in Adelaide, Australia, from 26–29 November, 2017.

The conference was a joint meeting of the Nutrition Society of Australia, the Nutrition Society of New Zealand and the Asia Pacific Society for Clinical Nutrition and this Special Issue contains selected papers from that meeting.
