

Special Issue

Diet and Age-Related Eye Diseases

Message from the Guest Editor

This Special Issue of *Nutrients* aims to explore the intricate relationship between diet and eye health through the latest research, potentially shedding light on dietary recommendations and interventions for maintaining optimal vision throughout life.

Guest Editor

Prof. Dr. Eun-young Choi

Department of Ophthalmology, Gangnam Severance Hospital, Yonsei University College of Medicine, Seoul 06273, Republic of Korea

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
