Nutrition 3.0: Between Tradition and Innovation

Message from the Guest Editor

The "Nutrition 3.0: Between Tradition and Innovation" conference—the 21st National Congress of the Italian Society of Food Sciences—aimed to bring together doctors, biologists, nutritionists, chemists, biotechnologists, and all professionals working in the field of food and nutrition. The overarching goal was to highlight the need for personalized and sustainable interventions to promote well-being, drawing on both traditional knowledge and new technologies in diagnostics and therapeutic approaches.

Guest Editor

Dr. Paolo Magni

Department of Pharmacological and Biomolecular Sciences, Università degli Studi di Milano, Milan, Italy

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
