

Special Issue

Diet and Nutrition in Bariatric Interventions

Message from the Guest Editors

We are especially interested in contributions that address diverse patient populations, cultural dietary considerations, and global perspectives on integrated care models. By advancing our understanding of nutritional science in the context of bariatric surgery, this Special Issue aims to support multidisciplinary efforts that improve quality of care and long-term outcomes for patients undergoing these transformative interventions.

Guest Editors

Dr. Evelyn Frias-Toral
Prof. Dr. Ramos Almino
Dr. Luigi Schiavo

Deadline for manuscript submissions

25 October 2026

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.

Editors-in-Chief

Prof. Dr. Lluís Serra-Majem

1. Centro de Investigación Biomédica en Red Fisiopatología de la Obesidad y la Nutrición (CIBEROBN), Institute of Health Carlos III, 28029 Madrid, Spain
