

Special Issue

Sustainable Nutrition and Health Based on Coffee, Tea, and Cocoa

Message from the Guest Editors

We are pleased to invite you to submit your research articles to the Special Cocotea 2019 edition of *Nutrients*. We greatly enjoyed your scientific contributions at the latest edition of the Cocotea conference 2019 at Jacobs University in Bremen and very much hope that you will summarize or extend your presented research findings in the form of a full scientific paper to be submitted to *Nutrients*. We hope that the Special Issue will represent well the diverse and interdisciplinary nature of research at a high level on coffee, cocoa, and tea. In particular, we welcome submissions in the fields of nutrition, health effects, technology, valorization of waste products, and novel technologies and products to this edition. The deadline for submissions will be 30th January 2020.

Guest Editors

Dr. Maria Dolores del Castillo

Food Bioscience Group, Department of Bioactivity and Food Analysis, Institute of Food Science Research (CIAL), Spanish National Research Council (CSIC) and the Autònoma University of Madrid (UAM), Nicolás Cabrera 9, 28049 Madrid, Spain

Prof. Dr. Nikolai Kuhnert

Department of Life Sciences and Chemistry, Jacobs University Bremen, Campus Ring 1, 28759 Bremen, Germany

Deadline for manuscript submissions

closed (30 January 2020)

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
