

Special Issue

Psychobiology of Eating Disorders

Message from the Guest Editors

For the Special Issue “Psychobiology in Eating Disorders”, we are seeking experimental studies to investigate the psychobiological basis of disordered eating. Mechanistic studies to elucidate the pathomechanisms of eating disorders are also of interest. We wish to encourage submissions that focus on psychobiological therapeutic mechanisms, as well as systematic reviews on relevant psychobiological issues in eating disorder sufferers.

Guest Editors

Prof. Dr. Stephan Zipfel

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
