

Special Issue

Feeding the Future: Sustainable Nutrition Strategies for Asian Countries— Selected Papers from the 14th ACN

Message from the Guest Editors

The papers in this Special Issue are derived from the work to be presented at the 14th Asian Congress of Nutrition 2023 in Chengdu, China in September 2023. The theme of the congress is “Feeding the Future by Sustainable Nutrition”. The congress encourages discussion on a broad range of nutritional issues, such as dietary reference intakes, coexisting malnutrition situations, prevalence of nutrition-related chronic disease and aging of societies, and food and energy storage, etc. This *Nutrients* Special Issue covers the following topics: Nutrition and Sustainable Development; Basic Nutrition and Research; Public Nutrition and Health; Food and Nutrition; Nutrition Across a Lifespan; Nutrition Education; Clinical Nutrition; Precision Nutrition. All conference attendees will enjoy a 15% discount on the submission fee for this Special Issue.

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
