

Special Issue

DHA for Optimal Health

Message from the Guest Editor

This Special Issue of *Nutrients*, entitled "DHA for Optimal Health", welcomes the submissions of manuscripts which either include evidence-based original research or reviews of the scientific literature. Manuscripts should focus on evidence that underpins dietary requirements throughout the lifespan (from in-utero to the elderly) for optimal brain function and/or prevention (or treatment) of disease.

Guest Editor

Prof. Dr. Barbara Meyer

School of Medicine, University of Wollongong, Northfields Avenue,
Wollongong, NSW 2522 Australia

Deadline for manuscript submissions

closed (30 November 2015)

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
