

Special Issue

Dietary Pattern and Health

Message from the Guest Editor

Dear Colleagues: Topics of this Special Issue must have a clear focus on overall dietary patterns and health outcomes. Potential topics may include, but are not limited to: * Dietary patterns and chronic diseases including obesity, diabetes, asthma, cardiovascular diseases, and mental health problems.

* Dietary patterns and mortality

* Dietary patterns and pregnancy outcomes

* Association between dietary patterns and cognition

* The mechanisms linking dietary patterns and chronic diseases

Guest Editor

Dr. Zumin Shi

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
