

# Special Issue

## Nutrition in Cognitive Function

### Message from the Guest Editors

This special issue will include evidence-based studies and reviews of neurocognitive effects of specific bioactive nutrients and nutritional and/or dietary interventions. It will focus on recent emerging studies which address possible mechanisms of action.

## About the Journal

### Message from the Editorial Board

*Nutrients* is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
