

Special Issue

Nutrition for Older People

Message from the Guest Editors

This Special Issue of *Nutrients*, entitled “Nutrition for Older People”, welcomes the submission of manuscripts relating to the impact of nutrition on the health, function, and well-being of older people. Additionally welcome are papers on the management of under-nutrition and obesity in older people. Manuscripts can either describe original research or review scientific literature.

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.
