Pancreatic Disease and Pancreatic Cancer: The Role of Nutrition, Diet in Prevention and Treatment

Message from the Guest Editor

The pancreas plays a major role in nutrient digestion. Diseases in the pancreas such as acute and chronic pancreatitis and Pancreatic cancer, may therefore lead to pancreatic insufficiency, impairing digestive and absorptive processes. These changes can lead to malnutrition over time as well as declining physical performance, and reduced quality of life (QoL). Pancreatic cancer is one of the deadliest cancers with a high symptom burden and risk of developing cancer cachexia. Additionally, does nutrition play an important role as a risk factor for the development of pancreatic cancer. In this Special Issue, Pancreatic Disease and Pancreatic Cancer: The Role of Nutrition, Diet in Prevention and Treatment, we invite articles that expand our knowledge of the role of nutrition in the prevention and treatment of malnutrition and cachexia in pancreatic diseases. Articles that shed light on dietary intake during the disease trajectory and associations to optimal symptom management and nutritional status are particularly welcome.

About the Journal

Message from the Editorial Board

Nutrients is an on-line open access journal that was first published in 2009. *Nutrients* adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of *Nutrients* has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.

Editors-in-Chief

Prof. Dr. Lluís Serra-Majem

1. Centro de Investigación Biomédica en Red Fisiopatología de la Obesidad y la Nutrición (CIBEROBN), Institute of Health Carlos III, 28029 Madrid, Spain
2. Research Institute of Biomedical and Health Sciences (UIBS), University of Las Palmas de Gran Canaria, 35001 Las Palmas, Spain
3. Preventive Medicine Service, Centro Hospitalario Universitario Insular Materno Infantil (CHUIMI), Canarian Health Service, 35016 Las Palmas, Spain
